

*Naturally the Best*

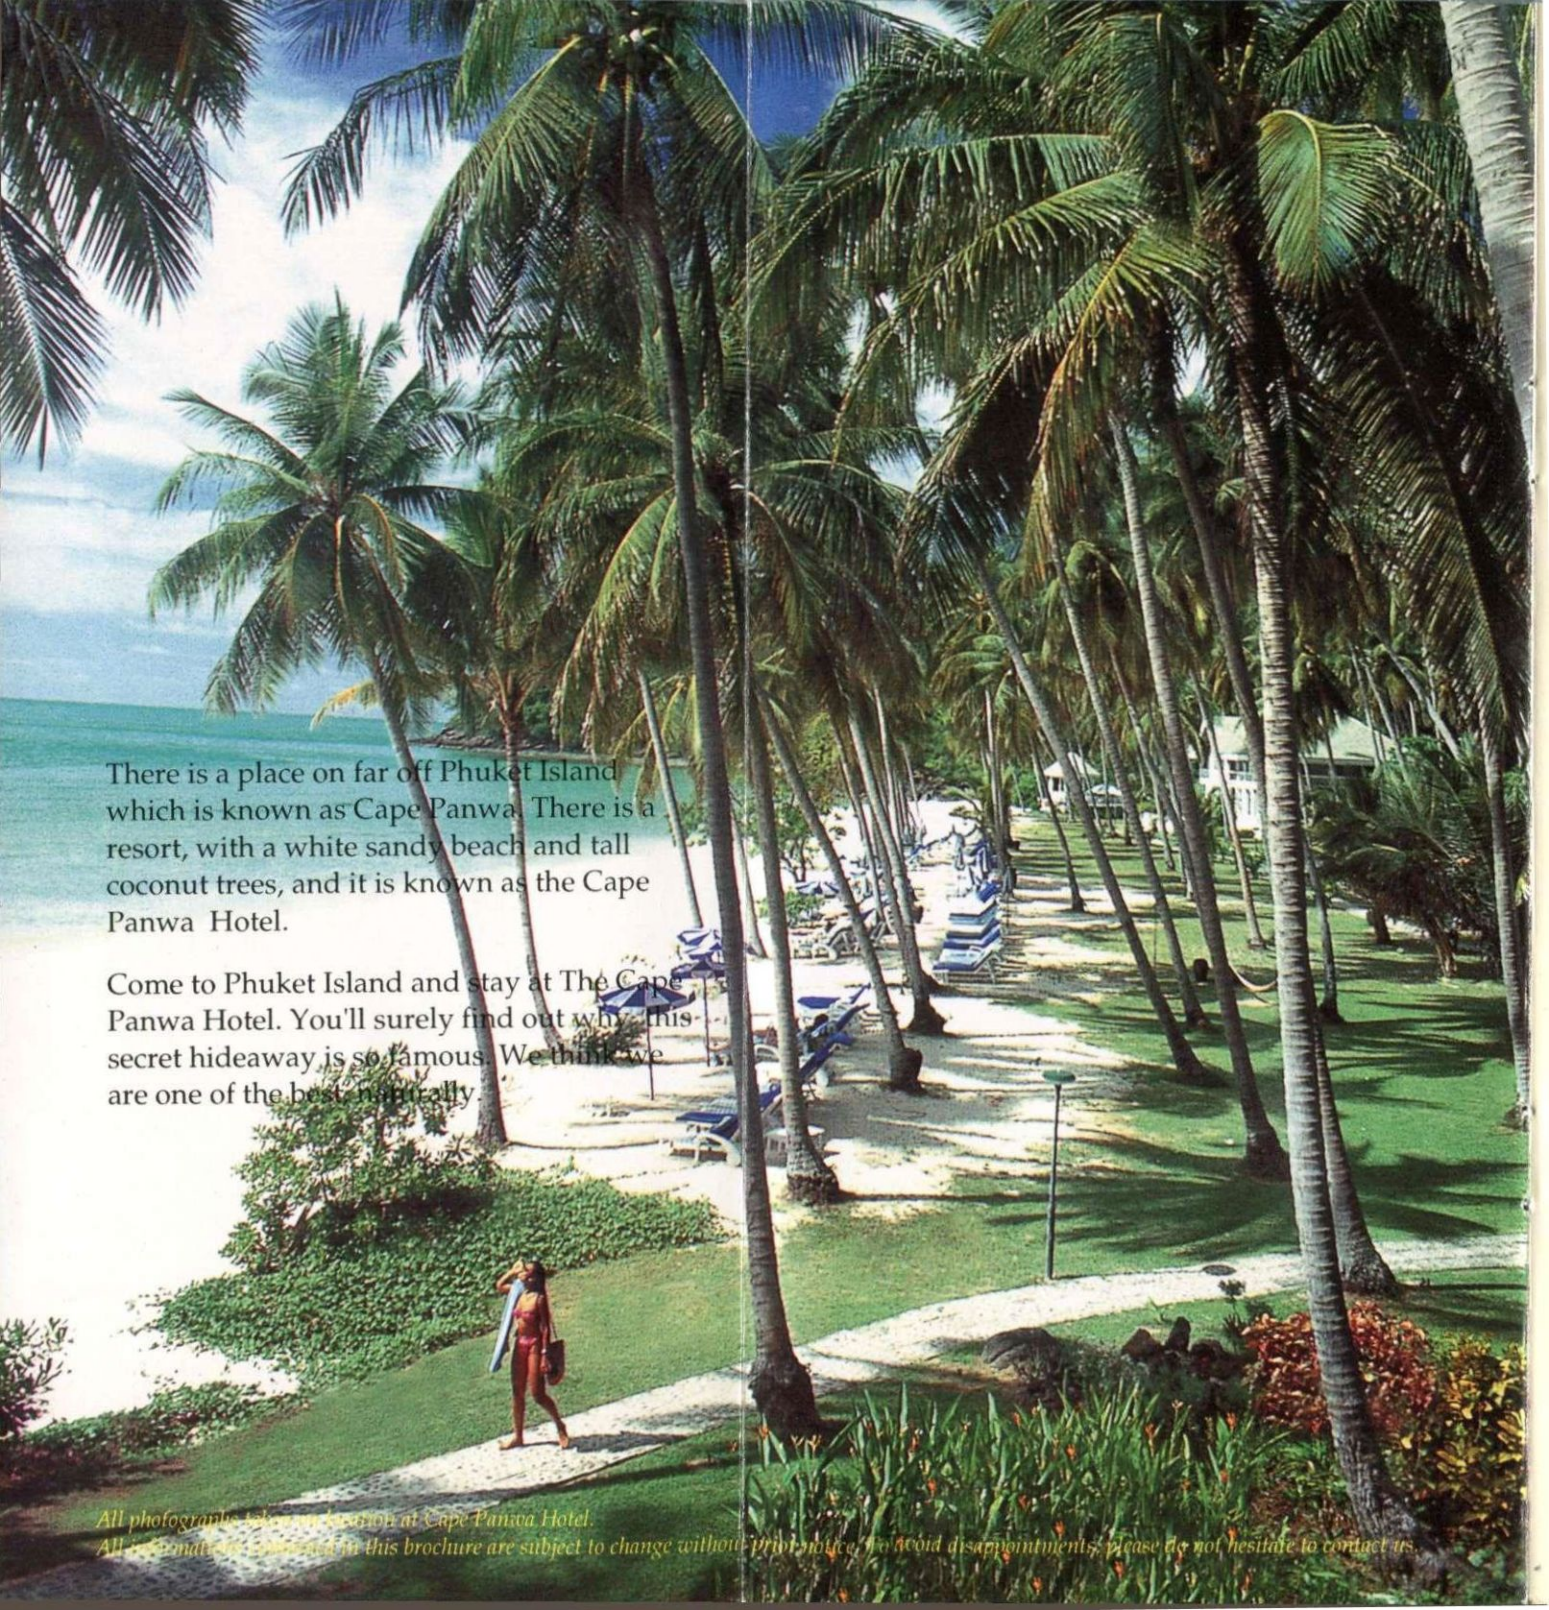

CAPE PANWA HOTEL  
PHUKET, THAILAND

*The beach at Cape Panwa Hotel is protected  
from monsoon wind during April to October.*

A vibrant tropical scene featuring a sandy beach, turquoise ocean, and numerous tall palm trees. A person is walking on a path in the foreground, and lounge chairs are visible on the beach. The scene is split into two panels by a vertical line.

There is a place on far off Phuket Island which is known as Cape Panwa. There is a resort, with a white sandy beach and tall coconut trees, and it is known as the Cape Panwa Hotel.

Come to Phuket Island and stay at The Cape Panwa Hotel. You'll surely find out why this secret hideaway is so famous. We think we are one of the best naturally.

## *The Best Spot on the Best Beach.*

Many years ago, on a beach, there stood  
a solitary house surrounded  
by tall coconut trees.  
Today, all this still remain.

At Cape Panwa, we are known for our natural surroundings and for preserving things that are typical of Phuket Island. The Cape Panwa Hotel itself is situated on a hilltop commanding a panoramic view of the Andaman sea, with its clear blue water and its many smaller islands. With forested hills all around, and a white sandy beach that is secluded, we don't need man-made landscapes.

*Superior Room*

## *Cape Panwa* *Not an ordinary Hotel*

Almost every household at the village of Panwa is somehow represented or knows a friend working at the hotel. We think this is reflected in the warm and genuine service

accorded to our guests, and the pride that our staff takes in being able to make your stay in Phuket an enjoyable one. At Cape Panwa Hotel we offer superior rooms, suites, 2 bedroom bungalows, and a 3 bedroom villa with a private swimming pool. Each room faces the sea and has large balcony.

*Bungalows*

*Uncle Nan's Restaurant (Italian)*

## *Cape Panwa* *A Different Menu Everyday*

At Cape Panwa, you need not dine in the same restaurant day in and day out. We have a variety of restaurants, each is different in style and menu served. **The Café Andaman** overlooks the hilltop swimming pool. **Panwa House** is a lone mansion amidst the coconut plantation right on the beach, and serves authentic Thai cuisine. **Top of the Reef** is almost at the edge

of a cliff, offering elegant dining; the **Otter's Bar** with live music is connected to the top of the reef. On the hillside is the **Light House Pub** where you can drink, enjoy the band and be nautical. Alternatively, go over the hill, into Panwa Bay Village and meet the locals. We recommended **Uncle Nan's** which has an upstairs terrace; perfect for watching a tropical sunset.

*Otter's Bar*

*The Light House Pub*

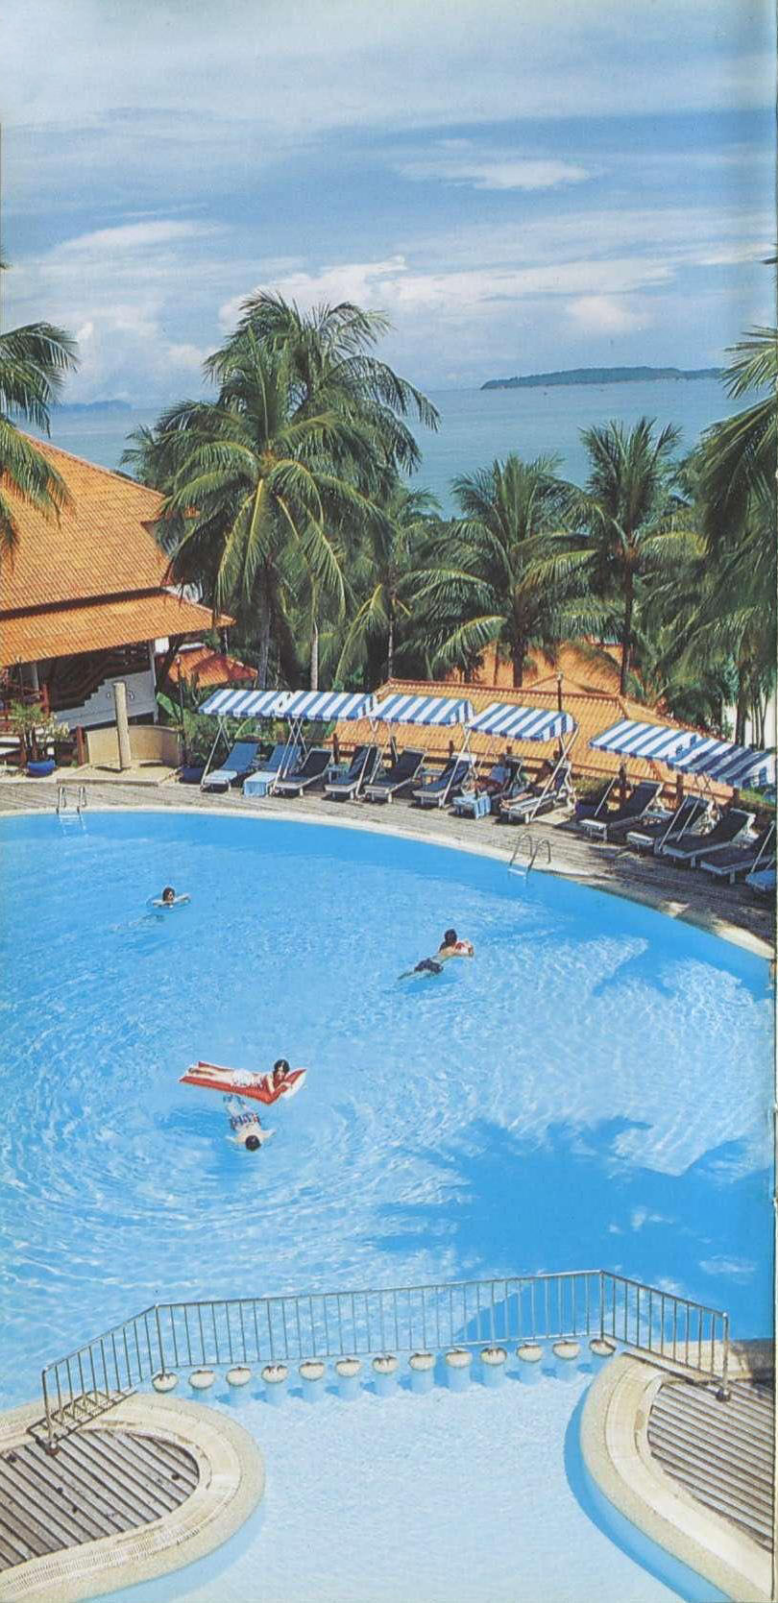

*Clock House (Garden Café)*

*Laem Panwa Restaurant (Local Thai & Seafood)*

**Clock House** pavilion in an outdoor courtyard at Panwa Village serves light meals and cool drinks throughout the day while you watch the world go by. **Laem Panwa Restaurant**, overlooking the waters of Panwa Bay, specializes in fresh, barbecued seafood served under the stars and is extremely good value & popular with the local islanders.

### *Different Facilities and Enjoyable Activities*

You may swim, snorkel on the coral reefs, windsurf, row or sail from our own beach. There is also a boat pier where the various yachts and boats cast off frequently to nearby islands, and where local fishermen are glad to take you out on private trips in their long tail boats. On land, the hotel's facilities included two Swimming Pools, at the main building and at the beach, a Tennis Court, an equipped Exercise Room, and a Games Room that has a special children's corner. Alternatively, just laze around on the beach doing nothing. Parents need not to be concerned about cars, because at Cape Panwa there are no roads by the beach.

*Second Pool*

*Tennis*

*Volley Ball*

*Panwa Princess II Yacht*

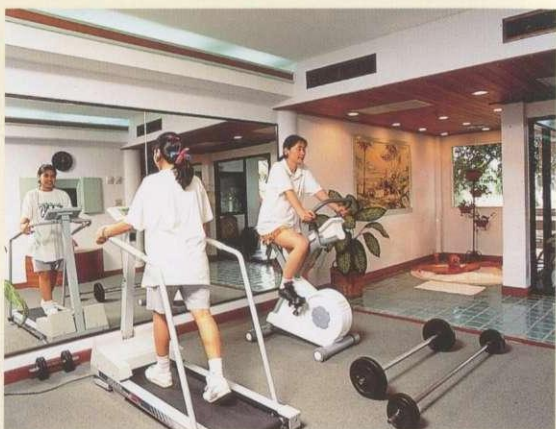

*Tram*

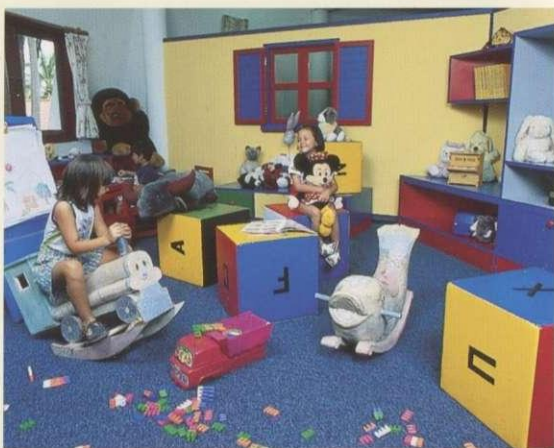

Cape Panwa is also the ideal venue for seminars, conferences, banquet group dinners and cocktail parties. You name it and we have the facilities: the state-of-the-art AV, communications equipment and experienced staff to help you stage the event of a lifetime.

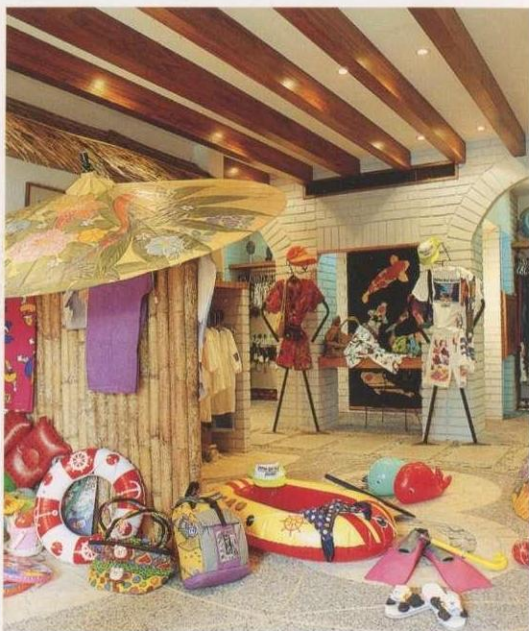

*Fitness Room*

*Kids Playroom*

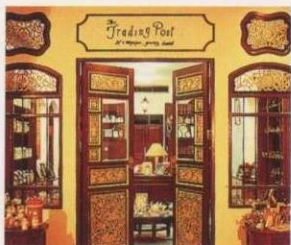

*Banquet and Conference Rooms*

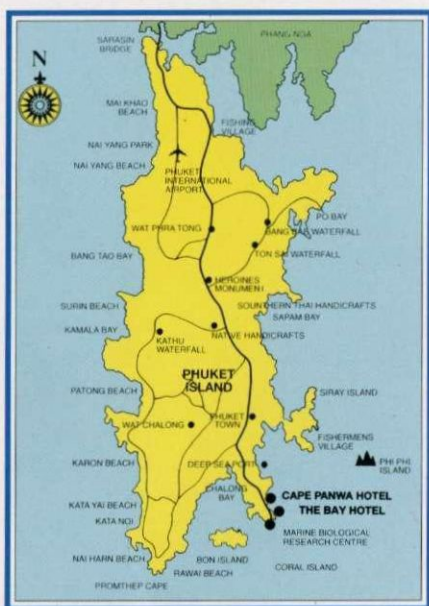

## *Panwa Bay Village*

### *Go Shopping in the Village*

Panwa Village, beside Cape Panwa Hotel is a small traditional fishing village that has been transformed into a delightful area where you can find the best that local artisans have to offer from leisure clothes to handicrafts.

*Introducing*

**Cape Panwa Sheraton Hotel**  
**Phuket, Thailand**  
The hospitality people of **ITT**

*Publication of The Nation*  
*August 1988*

ฉบับพิเศษ กรุงเทพมหานคร  
สิงหาคม 2531

# *From the General Manager of Cape Panwa Sheraton Hotel*

**I**t is with great pleasure that I announce yet another addition to the Sheraton Family: The Cape Panwa Sheraton, located on the beautiful island of Phuket here in Thailand. The word 'Sheraton' has become synonymous with quality, hospitality and experience around the globe, in over 67 countries. The Cape Panwa Sheraton is no exception to this tradition.

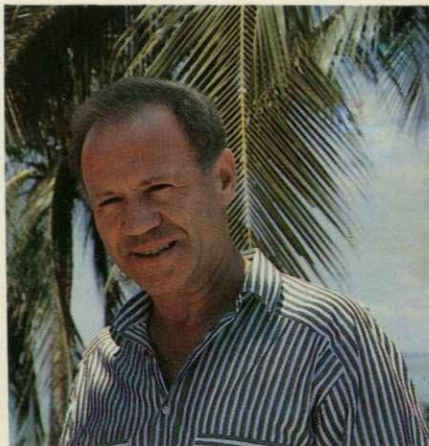

Our concept and design blend splendidly with location and environment to create seclusion and tranquility. Along with the world-acclaimed Thai charm, the service and facilities are of international standards.

Sheraton's contribution to the overall economy of Phuket is significant. Over 200 employees, mainly from surrounding villages and nearby towns, have undergone intense hospitality training which is constantly being updated and improved upon, all designed to maximize the potential over the years.

We have added, through our worldwide reservations system, a worldwide sales team, promoting Phuket as a general destination and Cape Panwa Sheraton as the individual hotel to encourage tourism growth in Phuket, Thailand.

Both the Owners, the Pangsrivongse family, and the Managing Company, the Sheraton Corporation, recognize one common denominator: that the magical resort located in the most scenic location, combined with highly advanced management philosophy and techniques is a catalyst for future expansion in this area.

I trust that you see, as we do, a great future

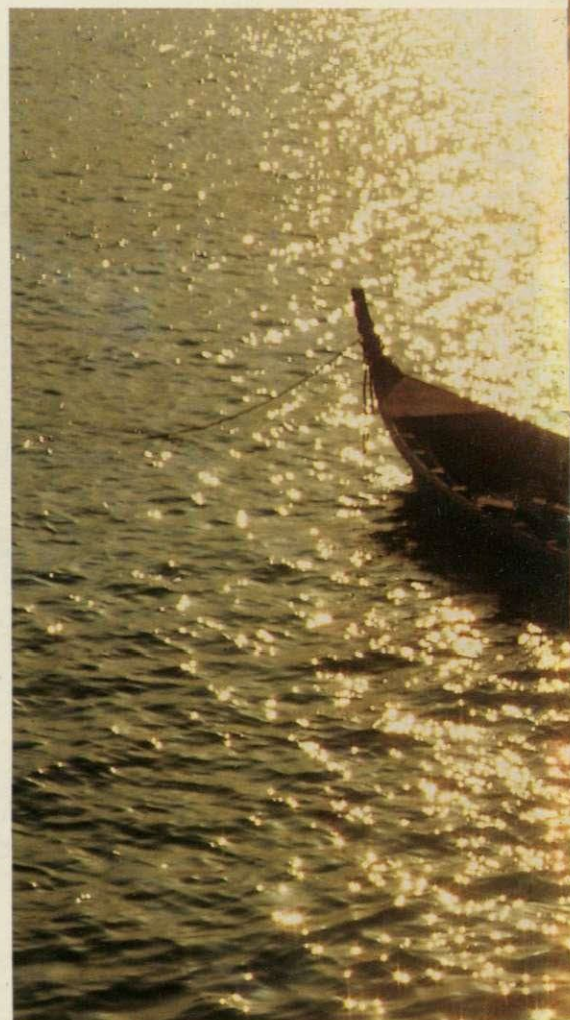

in this world-renowned destination ... Phuket ... and will join us in our endeavours to make this a great success of which we all can be proud and from which we can mutually benefit through local and international tourism growth. Knowing that our staff is with me in aiming for success, I personally affirm my commitment to positive and total guest satisfaction.

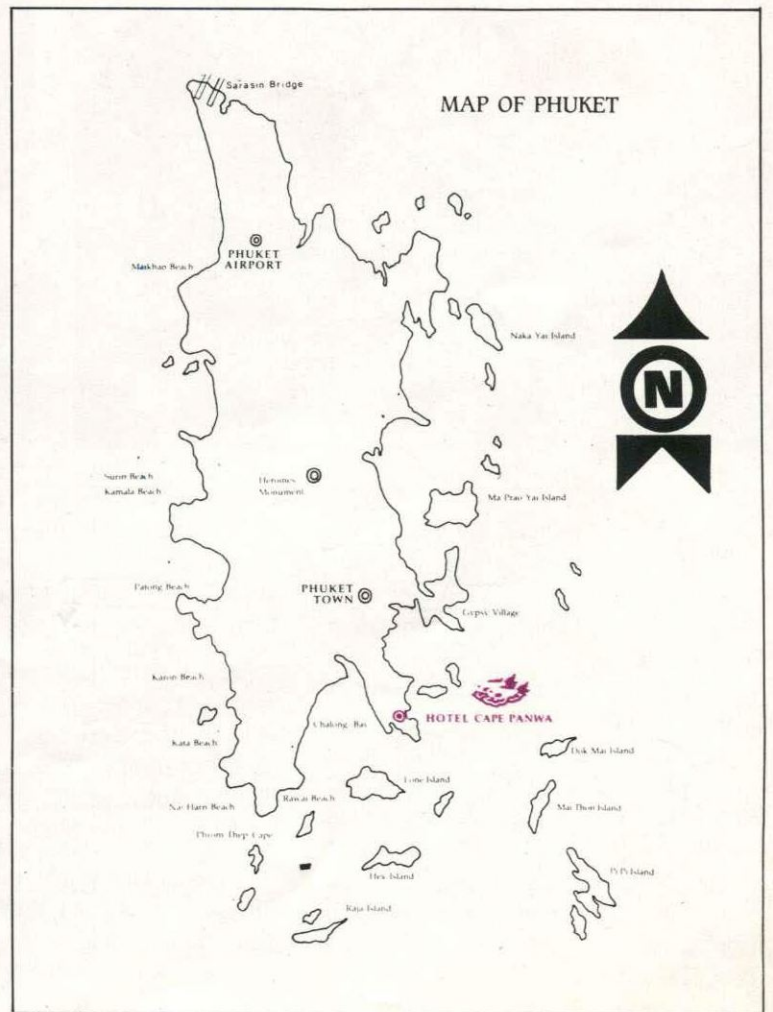

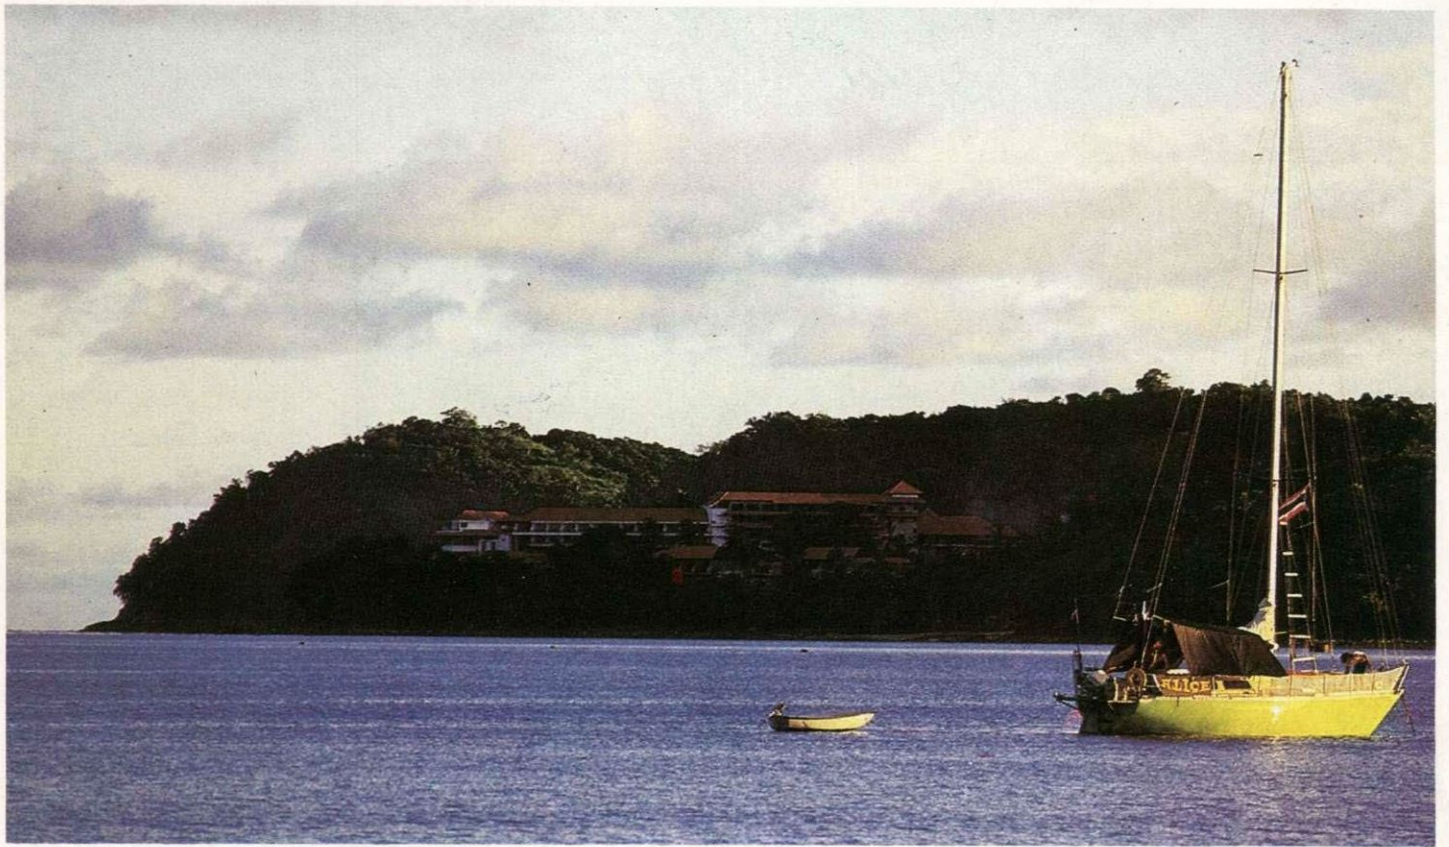

The Staff and Management of Cape Panwa Sheraton extend a warm welcome to you. We are always at your service.

# Where Nature greets you gently

At Cape Panwa, the salty tang of the sea combines with the freshness of the air to relax and refresh you; nature extends her gentlest colours to soothe you and turn your thoughts from every day worries and cares.

กลิ่นอายของทะเลและอากาศสดชื่นที่ชายหาดแหลมพันวาช่วยให้ท่านพักผ่อนอย่างสบายใจ กอปรกับธรรมชาติที่สวยงามงดงามจะช่วยคลายความเครียดและสร้างความรื่นรมย์ให้ผู้ที่มาพักผ่อน

Nowhere are the bounteous gifts that nature has bestowed upon Phuket more apparent than at Cape Panwa.

This southeastern edge of the country's island province offers a serene and untouched beauty, where rolling hills, dense with coconut groves and banana plantations, slope gently onto a secluded beach fringed with coves and grottoes.

Out across the bay, islands dot the horizon, small groups of purple and green shadows with such names as Phi Phi, Mai Thon, Hei and Lone.

Cape Panwa's 300-metre beach is truly

private, accessible only by sea or from Cape Panwa Sheraton. No neighbour can disturb the solitude, nor is there a public road to the beach.

Only nature itself is free to wander. Some of the loveliest specimens of Phuket's fish flit in and out of the bay's coral reef (they can also be observed at the Phuket Aquarium, a short five minutes from Cape Panwa Sheraton).

In the early morning, monkeys from the coconut groves come down to play in the water (and to steal bananas). Mischievous and carefree, they chatter gaily amongst themselves, slipping suddenly back into the

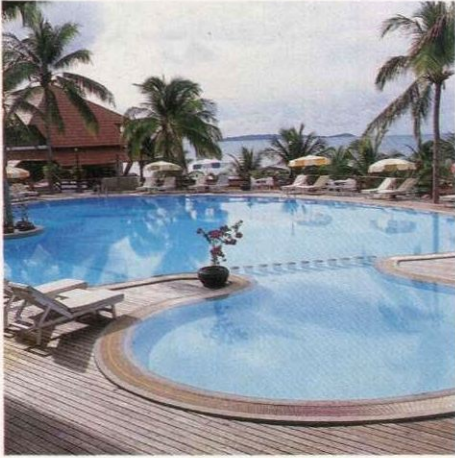

shadows as a stranger approaches.

Less timid is the beach's sole permanent resident, 'Ki'. This bright-eyed, sleek little sea-otter enjoys nothing better than a romp in the sea with Cape Panwa Sheraton's guests and a share of any picnic morsels that just happen to be to hand.

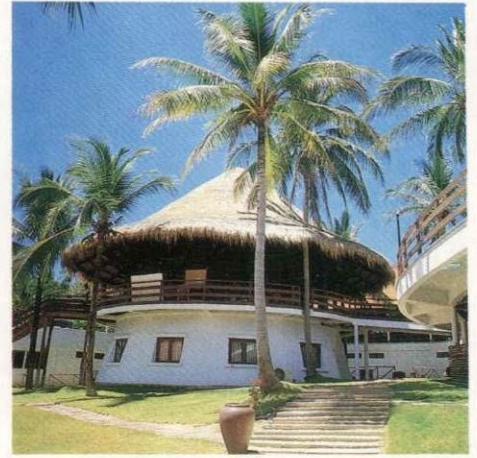

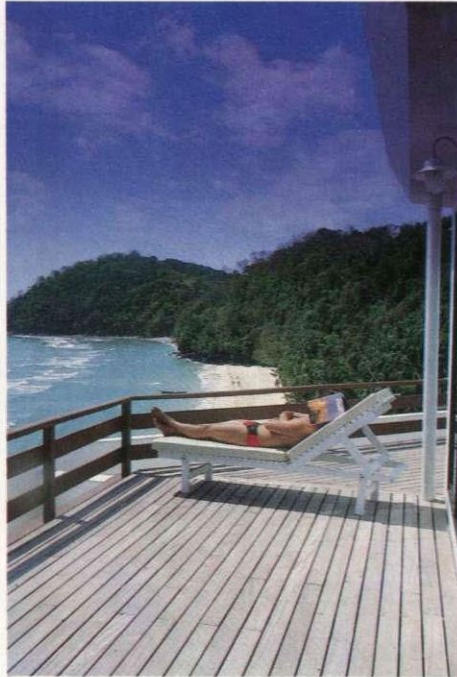

Here at Cape Panwa, nature is gentle. The salty tang of the sea combines with the freshness of the air to relax and refresh you, and nature extends her gentlest colours, her turquoises and emeralds, her purples, dark reds and browns, to soothe you and turn your thoughts from everyday worries and cares.

# International facilities

In peaceful harmony with the surrounding hills and the beach, Cape Panwa Sheraton, offers an ambience of relaxation amidst nature.

Being situated on the high-ground of a peninsula provides Cape Panwa Sheraton with a panoramic view of the coral ocean, the myriad scattered offshore islands and the private beach below.

The hotel itself has been designed in a style which blends in peaceful harmony with the surrounding hills and beach.

Even inside the hotel, throughout the 160 guest rooms — all of which have a sea view — the decor, furnishings and facilities combine to create an ambience of relaxa-

tion amidst nature.

For guests who desire a little privacy and seclusion, two-bedroom bungalows are also available, with a living room and small pantry.

With the needs of the business traveller ever in mind, a meeting room, the Round Table, is available for informal or cosy business meetings.

This room is fully equipped with facilities for holding a conference and can comfortably accommodate up to 60 people.

International

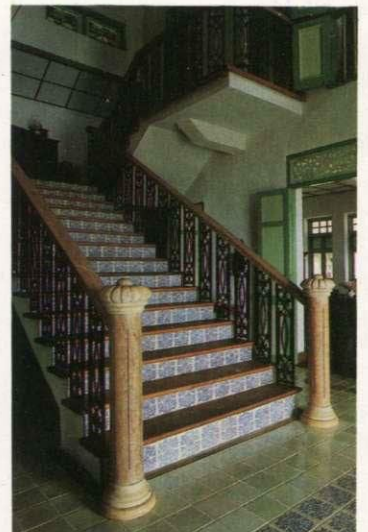

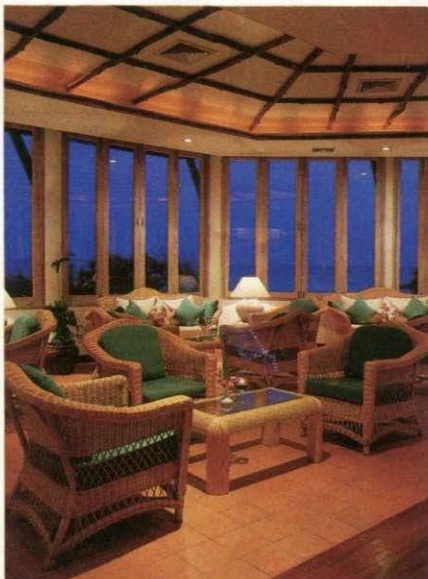

# Choice dining venues, each with character

Whether formal or informal, whether a snack or an elegant dinner complete with an excellent wine, Cape Panwa Sheraton caters for all tastes with a unique choice of four dining venues, each with its own character or history.

TOP OF THE REEF is elegant dining in a prestigious French-style restaurant. Here, dinner is served, including fresh seafood and imported steak, complemented by fine wines.

Reminiscent of the early days of Phuket, PANWA HOUSE, on the beach, carries on the style of the original estate residence, the old Phuket style that is rapidly disappearing with our modern times.

This distinguished-looking house also carries on the spirit of hospitality and refinement of old. Guests, in the dining room or on the verandah, enjoy tea in the morning or Thai dinners at night.

By appointment, an informal beach barbeque can be arranged, or for very special parties, the entire house with the dining room can be reserved.

Panwa House, however, is much more than a restaurant. The second floor serves as a clubhouse, with a library and games room where guests can have a game of cards, chess or darts or indulge in some relaxing reading.

On the hillside near the hotel is THE LIGHTHOUSE, a popular rendezvous re-constructed in the style of former times. Decorated on a nautical theme with ships' flags as well as a bell and a compass, this English-style pub opens its doors between 5 pm and midnight to serve light snacks and a wide variety of drinks.

Guests can also sit outside on the terrace, admiring the view of the beach and the islands.

rendezvous รับประทานอาหาร

At the CAFE ANDAMAN, open between 7 am and 11 pm, an appetizing buffet breakfast is served each morning. Throughout the day and late evening, Cafe Andaman offers an international selection of delectable dishes that include old favourites and new additions from European and Thai cuisines accompanied by live musical entertainment at night.

# *Superb sea sports facilities all year round*

*S*heltered from the monsoon, Cape Panwa offers hotel guests year-round opportunity to enjoy watersports in the bay or take advantage of the private 300-metre private beach with its large coconut grove.

Guests can indulge their 'castaway' fantasy on this beautiful tropical island beach, soaking up the sun or under the shade of an occasional beach umbrella, enjoying a cool drink in the comfort of a deck chair or hammock. You can even have a game of SEPAK TA KRAW.

The sheltered, clear-blue water of the bay is an open invitation to enjoy whatever watersports take your fancy, from snorkeling to windsurfing or water-skiing, from scuba-diving to deep-sea fishing. The hotel

also provides expert advice and help for beginners.

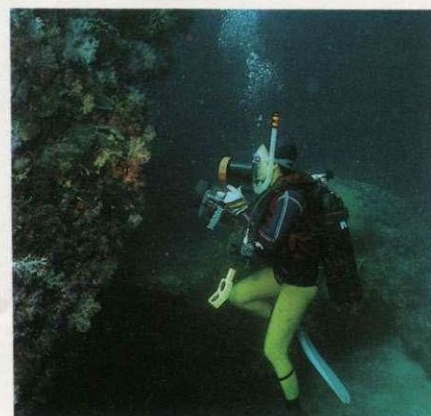

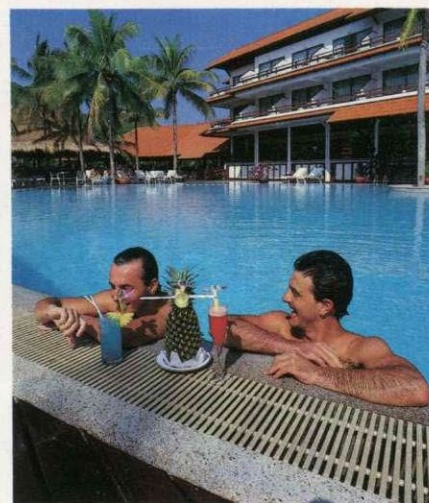

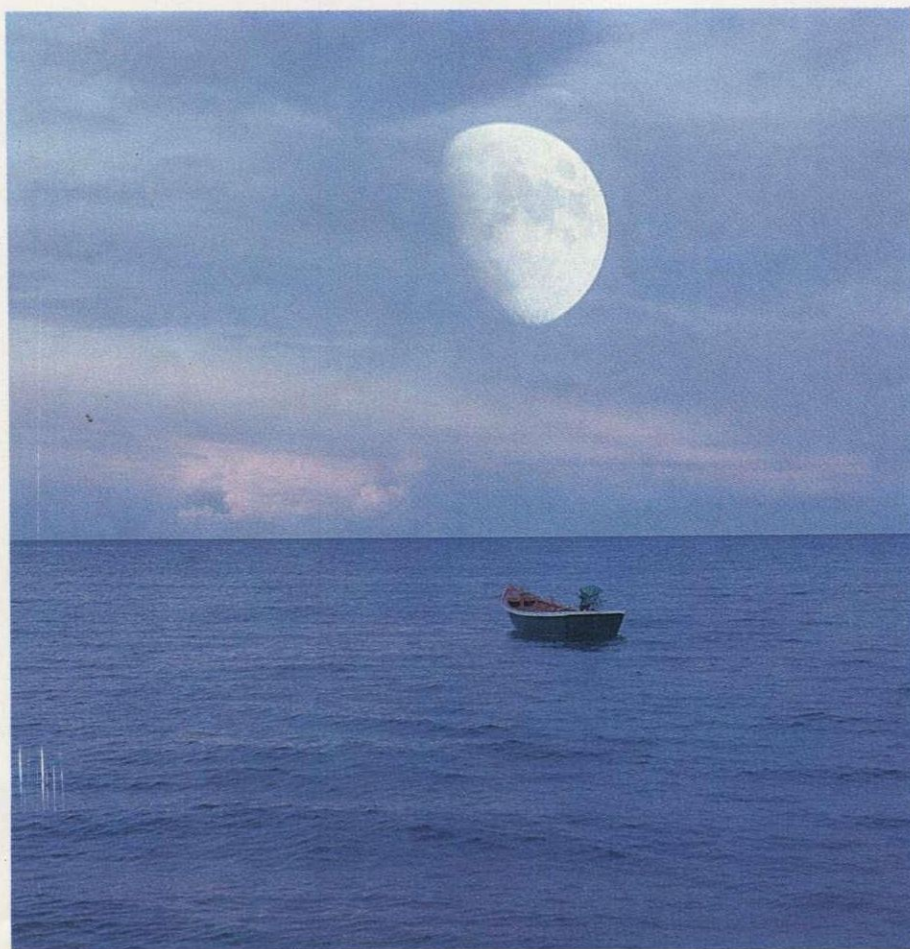

The delights of a boat trip to the various islands in the vicinity of Cape Panwa, or an outing to an interesting part of Phuket — the Sea Gypsy Village is nearby — can all be arranged.

Alternatively, a yacht-charter service provides luxury cruising around the many islands nearby. Guests can enjoy day cruises or even longer outings in a style even the Mediterranean couldn't equal.

For guests with a yen to explore by themselves, jeeps and motorcycles can be rented.

A tennis court with qualified instructors and a large swimming pool with attached children's pool are part of the hotel facilities.

A vibrant tropical scene featuring a sandy beach, turquoise water, and numerous tall palm trees. In the foreground, a person in a red swimsuit walks along a path. The background shows a resort area with lounge chairs and umbrellas.

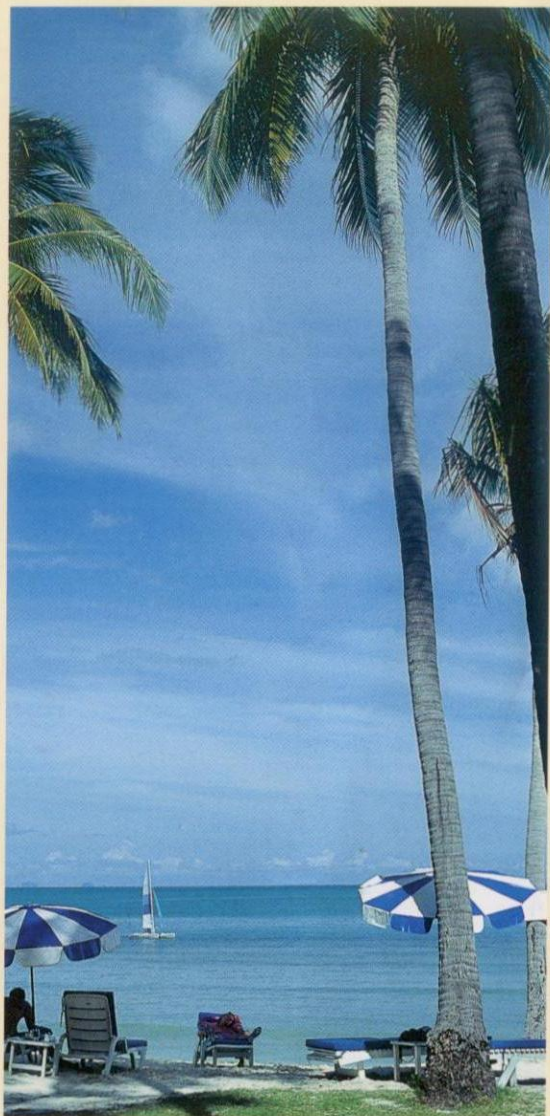

There is a place on far off Phuket Island which is known as Cape Panwa. There is a resort, with a white sandy beach and tall coconut trees, and it is known as the Cape Panwa Hotel.

Come to Phuket Island and stay at The Cape Panwa Hotel. You'll surely find out why this secret hideaway is so famous. We think we are one of the best, naturally.

## *The Best Spot on the Best Beach.*

Many years ago, on a beach, there stood  
a solitary house surrounded  
by tall coconut trees.  
Today, all this still remain.

At Cape Panwa, we are known for our natural surroundings and for preserving things that are typical of Phuket Island. The Cape Panwa Hotel itself is situated on a hilltop commanding a panoramic view of the Andaman sea, with its clear blue water and its many smaller islands. With forested hills all around, and a white sandy beach that is secluded, we don't need man-made landscapes.

## *Cape Panwa* *Not an ordinary Hotel*

Almost every household at the village of Panwa is somehow represented or knows a friend working at the hotel. We think this is reflected in the warm and genuine service accorded to our guests, and the pride that our staff takes in being able to make your stay in Phuket an enjoyable one. At Cape Panwa Hotel we offer superior rooms, superior family rooms, suites, 2 bedroom bungalows, and a 3 bedroom villa with a private swimming pool. Each room faces the sea and has large balcony.

### *A Different Menu Everyday*

At Cape Panwa, you need not dine in the same restaurant day in and day out. We have a variety of restaurants, each is different in style and menu served. **The Café Andaman** overlooks the hilltop swimming pool. **Panwa House** is a lone mansion amidst the coconut plantation right on the beach, and serves authentic Thai cuisine. **Top of the Reef** is almost at the edge

On the hillside is the **Light House Pub** where you can drink, enjoy the band and be nautical. Alternatively, go over the hill, into Panwa Bay Village and meet the locals. We recommended **Uncle Nan's** which has an upstairs terrace; perfect for watching a tropical sunset.

*Laem Panwa Restaurant (Local Thai & Seafood)*

**Clock House** pavilion in an outdoor courtyard at Panwa Village serves light meals and cool drinks throughout the day while you watch the world go by. **Laem Panwa Restaurant**, overlooking the waters of Panwa Bay, specializes in fresh barbecued seafood served under the stars and is extremely good value & popular with the local islanders.

You may swim, snorkel on the coral reefs, windsurf, row or sail from our own beach. There is also a boat pier where the various yachts and boats cast off frequently to nearby islands, and where local fishermen are glad to take you out on private trips in their long tail boats. On land, the hotel's facilities included two Swimming Pools, at the main building and at the beach, a Tennis Court, an equipped Exercise Room, and a Games Room that has a special children's corner.
